NOTICE OF CONSUMMATION

**Re: Exempt Abandonment and Discontinuance of Service over the Ankeny
Industrial Lead from M.P. 10.50 in Ankeny to M.P. 10.70 in Ankeny, a distance
of .20 miles, in Polk County, Iowa; STB Docket No. AB-33 (Sub-No. 279X)**

Dear Ms. Brown:

This is to advise that this matter was reopened by late release decision served April 19, 2011 under which the Board removed the Section 106 Historic Preservation Condition. Therefore, in accordance with 49 CFR 1152.29(e)(2), the Union Pacific Railroad Company ("UP"), hereby advises the Board with regard to the subject exempt abandonment and discontinuance of service that it has consummated the abandonment of the portion of the Ankeny Industrial Lead from M.P. 10.50 in Ankeny to M.P. 10.70 in Ankeny, a distance of .20 miles, in Polk County, Iowa pursuant to the authority granted in the Surface Transportation Board's ("Board's") Decision with a late release service date of April 19, 2011.

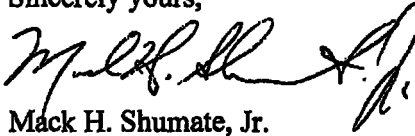

In accordance with the Board's prior decision in this matter with a late release service date of March 19, 2010, UP shall prior to the commencement of any salvaging activities on the Line, consult with the Army Corp. of Engineers regarding potential impacts to waters of the United States, consult with the Iowa Department of Natural Resources Conservation and Recreation Division to determine what reasonable requirements, if any, may be necessary with regard to impact to any rare species and/or significant natural communities, and consult with the Iowa Department of Natural Resources Environmental Services Division to determine what reasonable requirements, if any, may be necessary with regard to impact on storm water and fugitive dust emissions.
